

## POWERING BUSINESS IN AFRICA: *Renewables Beyond Subsidies and Emerging Markets.*

26 -27 October 2022

Marriott Hotel - Kigali, Rwanda

All times are local (Central Africa Time)

---

*"It's very clear, especially now, how interdependent we are.  
We must work together, more than ever."*

**- Rochus Mommartz**

### **About the Event**

---

The 2022 ReEnergy Africa Summit is the third annual event and the first in-person format with a virtual presence to be hosted in Kigali, Rwanda. The ReEnergy Africa Summit is the landmark global gathering event bringing people together to take stock of progress, showcase success and identify solutions to achieve faster, broader gains towards sustainable and affordable clean energy for all. It serves as a platform to broker new partnerships, spur investment, address challenges and drive actions towards clean energy transition and the realization of SDG7 in Africa by 2030.

The event is set to venture into the African renewable energy market and provide an international business and partnerships platform by highlighting attractive technology and investment opportunities. The two-day conference & exhibition for renewable energy will engage private and public sector players for networking, dialogue, technology, exhibition and knowledge exchange to scale-up the use of renewable energy for sustainable growth.

This takes place at the heart of Africa in Kigali, the Capital of Rwanda through a combination of in-depth panel and expert discussions with senior-level members from the governments and key business leaders and pioneers.

### **Why Participate?**

- Forge strong connections with potential business partners through extensive networking sessions and business match-making across Africa
- Identify technology solutions from leading providers
- Engage with financiers and investors interested in the African renewable energy market
- Exchange know-how with counterparts

## About Exhibition

The Summit & exhibition is designed to create a platform for stakeholders to discuss real needs and solutions to renewable energy challenges and opportunities in Rwanda. It will also discuss ways to improved collaboration among local key sectors in both public and private to share information and to forge joint initiatives in order to achieve a sustainable growth for the future.

## Why Exhibit?

- Raise your company profile and awareness.
- Showcase your products and technologies and develop new customer bases.
- Gain unique access to the international renewable energy industries.
- Explore business opportunities and meet new partners in dynamic surroundings.
- Create an unrivalled platform for sales leads and make lasting relationships with customers.
- Gain access to the industry's most influential decision makers in two days.
- Stay ahead of your competition.
- Meet potential partners face-to-face.

## Sponsorship Opportunities

Reach a target audience of government and business decision-makers and key influencers. Enhance your company profile on the global stage and increase your customer contacts.

Becoming a sponsor enables you to position your company and your products and services among the participants.
